WPG Americas Inc. Expands Distribution with McWong International Partnership

San Jose, Calif. – August 2, 2017 – WPG Americas Inc. (WPGA) a subsidiary of WPG Holdings, the largest global electronic components distributor, announced today a new partnership with McWong International, a leader in the design and manufacture of high quality lighting control equipment and related electrical components.

“McWong adds an impressive array of commercial and industrial occupancy sensors, programmable LED drivers and LED emergency Lighting battery backup to our LED solutions portfolio,” said Rich Davis, President of WPG Americas Inc. “We are excited about this partnership and look forward to growing with McWong”.

“We are excited to work with WPG, one of the leading electronic components distributors in the world, to service our broad base customers. The partnership will enhance the experience of our customers from McWong’s innovative lighting products and high quality service,” said Margaret Wong, founder and President of McWong International Inc.

About WPG Americas Inc.

Headquartered in San Jose, CA, WPG Americas Inc. is a member of WPG Holdings, a \$16.65B worldwide distributor of semiconductors, passive, electro-mechanical and display products. Founded in November 2007, WPGA is a franchised partner for leading technology suppliers. As a member of WPG Holdings, WPGA is uniquely positioned to offer total solutions to its diverse customer base. WPGA continues to introduce new leading edge technologies, quality service and design-in focus through its superior engineering programs.
