WPG Americas Inc. Announces New Partnership with KEMET, a Leading Global Manufacturer of Electronic Components

San Jose, Calif. – February 27, 2018 – WPG Americas Inc. (WPGA) a subsidiary of WPG Holdings, the largest global electronic components distributor, announced today a new partnership with KEMET Electronics Corporation, a manufacturer of the world’s most complete line of surface mount and through-hole capacitor technologies.

“This agreement with KEMET continues our commitment to providing the latest capacitor technologies and electromechanical solutions to our expanding customer base,” said Rich Davis, President of WPG Americas. “KEMET’s product portfolio is second to none and we are excited to add them as a focus supplier on our line card”.

“KEMET’s vision is to be the preferred supplier of electronic component solutions for customers demanding the highest standards of quality, delivery and service and we’re excited to be working together to deliver this with WPGA,” said Fernando Spada, Vice President, Sales – Global Distribution at KEMET.

About WPG Americas Inc.

Headquartered in San Jose, CA, WPG Americas Inc. is a member of WPG Holdings, a \$17.5B worldwide distributor of semiconductors, passive, electro-mechanical and display products. Founded in November 2007, WPGA is a franchised partner for leading technology suppliers. As a member of WPG Holdings, WPGA is uniquely positioned to offer total solutions to its diverse customer base. WPGA continues to introduce new leading-edge technologies, quality service and design-in focus through its superior engineering programs.
