
RoHS Compliance Policy

WPG Americas, Inc. can take order requests for RoHS compliant, lead-free, or, in some cases, leaded product.

We continue to work with our 75+ supplier partners to provide access to available RoHS information and will provide notice, based on order history, of product obsolescence or product compliance transition.

RoHS compliance information supplied by WPG Americas is based solely on information provided to WPG Americas by the manufacturers.

WPG Americas, Inc. is not responsible for the accuracy of this information.
