Dear Customer,

Following an internal review yesterday by our top management and operation team, now we would like to update the impact of coronavirus outbreak in China on our business.

To prevent the epidemic from aggravating, the Chinese authorities extended the official Spring Festival vocation and also strictly controls company's started working date. And this time DLC Display is supposed to start work at 24th Feb. 2020(Next Monday).

The Management have already been reviewed the availability of staff and the readiness of suppliers, transportation and other essential services with a review to resuming full production at the earliest possible date.

In view of the delivery issues, according to present situation, we have to post the update as follows, hope you can understand and adjust the order status accordingly: for old orders that have already been placed, the L/T will be postponed for 4 ~ 6 weeks. Corresponding to new orders, the L/T will be 4 ~ 7 weeks longer than normal.

DLC remains determined to minimize the impact of this emergency on customer business, meanwhile, ensure the health and safety of all staff.

For Appreciate of your understanding!
