Who We Are

WPG Americas Inc. is a member of WPG Holdings, a worldwide distributor of semiconductors passive, electromechanical and display products. From design to delivery, we harness the latest innovations from industry leaders and connect them with our leading-edge design engineers and supply chain services, offering a complete solution in support of your ideas.

SMD INDUCTORS

METCOM POWER INDUCTOR SERIES

Metal Composite
SMD Power Inductors

Inductance | 0.1 - 47 μ H
Rated Current | 2 - 35.4A
Temperature | -55°C to 55°C

The METCOM SMD inductor series range addresses power density and efficiency applications challenges.

Devices in the new series are ideal for developing efficient DC to DC switching power supplies as well as other power-related applications including EMI filters.
