Dear Sirs and Madams,

Taiwan's Centers for Disease Control and Prevention (CDC) is currently closely monitoring an outbreak of respiratory illness caused by a new coronavirus firstly identified in Wuhan, Hubei Province, China. The virus called as "2019 Novel Coronavirus" (2019-nCoV) has resulted in more than thousands confirmed cases in China, including cases outside Wuhan City. Additional cases have been identified in a growing number of other international locations.

With outbreak of the 2019 Novel Coronavirus(2019-nCoV) in China, the Chinese government has officially extended the Chinese New Year holiday to 9 Feb., 2020 to effectively constrain the virus outspread. IEI's factory in China will thus resume production by 10 Feb., 2020. IEI's head quarter and other operation locations are not affected and operating as usual.

To ensure the health of all IEI Group employees, IEI Group's subsidiaries in China will completely comply with the local government's epidemic preventive measures and adjust the production schedule and deliveries accordingly. IEI's staff will keep contact with you soon to update the newest shipment information. We did apologize for all inconvenience caused.

IEI asserts our responsibilities and accountability as a supplier of our customers and an employer of our employees, and we will make every effort to safeguard the rights and interests of customers and employees.

If you have any further questions, please contact your sales window for more information anytime.
